The Dartmouth College Class of 1966 Newsletter

Volume 50, Number Three

February 2015

## Get Ready for '66 Night 2015

**E**njoy the fellowship that comes with being members of the great Class of 1966! This year, we will be celebrating side-by-side with the Dartmouth Class of 2016.....

Get ready to celebrate! While 66th Night (usually March 7th) is not yet a national holiday for all, it is an international holiday for us. In recent years our classmates around the world have gotten together on or close to the 66th day of the year to catch up, connect with old friends, and make new ones.

This year is special.....

This year, we are inviting members of our 50-Year Connections Class, the Great Class of 2016, to be our guest at these regional affairs where they are taking an off-campus term for an internship, study, or recreation. It's another chance for us to become better acquainted before we march across the Dartmouth Green together in June, 2016, at their graduation and our 50-Year Reunion.

This is the 7th year that the Class Executive Committee has officially encouraged these "mini mini reunions". Last year, groups gathered in Naples FL, Hanover NH, Londonderry VT, Westport CT, Harrison NY, Vero Beach FL and Washington DC.

This year, March 7th falls on a Saturday; however, any get-together that takes place within a week or two either side of that date qualifies as a "66 Night" event. Chuck Sherman is serving as the '66 Night Coordinator this year, and has enlisted volunteer hosts to organize local events across the country.

So far, volunteer hosts are organizing get-togethers in the following places:

Hanover: March 6 - Canoe Club - Host: Al Keiller  
Boston: March 3 -place TBD - Host: Mike McConnell  
New York: March 5 -Yale Club - Host: Larry Geiger  
Washington: March 7 - Circa in Clarendon -- Host: Jack Bennett  
Philadelphia: March 7 TBD - Host: Steve Sloca  
Low Country SC: March 5 - Bluffton, SC - Host: Bob Serenbetz  
Cleveland OH: March 2 or 3 -TBD - Host: Geof Greenleaf  
Chicago: TBD - Host: Jay Vincent  
San Diego: March 7; place TBD - Host: Rob McAuley

San Francisco: TBD - Host: Dave Spring  
Denver: March 7 - Metro Frame Works - Host: Jamie McGregor  
Orange County: TBD - Host: Don Graves  
Seattle: TBD - Host: Fred Grote  
London: TBD  
Atlanta GA: TBD - Host: Roy Rubin

If you are in one of these places, you will hear from the "host" via e-mail or phone. If you are someplace else and would like to spawn another local mini-reunion, please contact Chuck Sherman (chucksherman@mac.com, or 802-765-9630).

## PRESIDENT'S LETTER

Greetings Fellow '66 Classmates,

It has been cold and snowy in the Upper Valley, with Dartmouth's Winter Term well underway. Snow piles on the center of the Green have turned into a significant Winter Carnival sculpture. The ice is thick on Occom Pond inviting skaters to brave the cold. But the big news has been the roll out of President Hanlon's Moving Dartmouth Forward Plan.

Jim Lustenader and I attended President Hanlon's presentation on January 29 at the Hop. There was great anticipation among the 800 attendees. President Hanlon was clear, and forceful in his delivery. There was strong applause following the speech, extensive (and I would say favorable) local and national coverage, and generally positive response on the ground in Hanover among students, faculty and alums.

By the time you read this, the media blitz around the announcement will be overshadowed by more current events. If you haven't done so already, I encourage you all to take the time to review the plan elements and reflect on the fundamental changes to Dartmouth that will result. Go beyond the "no hard liquor" headlines and read the concise 6-page plan report. Here is the link to the report: <https://www.dartmouth.edu/~president/forward/plan.html>

Last April when he commissioned the Advisory Group that made recommendations to him, President Hanlon declared "enough is enough" and "we must change" the incidence of high-risk behavior and lack of inclusivity on campus. Quoting the Valley News, "He adopted 'eleven and a half' of the 13 Advisory Group suggestions. He did not adopt the recommendation for 'a major change in the D-Plan' (the College's 10-week term system), nor was he ready to provide concrete targets for socioeconomic diversity and financial aid, though he planned to do so." He did, however, address the dislocation of students from term to term, one of the major stresses of the D-Plan. By the fall of 2016, every student who enters Dartmouth will be placed in one of six house communities. Each cluster will be overseen by a resident faculty advisor tasked with developing social and academic programs for residents. He also resisted the historic calls by a majority of the faculty, and some students, to eliminate the Greek system; but, he warned, this could be revisited.

Many of the implementation details remain to be developed. Deadlines for implementation of major elements are included in the plan. Accountability is front and center. There will be requirements for positive action by faculty, students, the Greek system and the administration itself; and measurable goals and reports. An external Oversight Committee has also been established.

From my perspective, change is essential, and this plan addresses the key levers to make change happen. This is a watershed moment for Dartmouth. Stay tuned.

Best wishes,  
Al Keiller  
sienawine@me.com

## DARTMOUTH COLLEGE FUND NEWS

As of January 31, the total class giving for the Dartmouth College Fund is \$131.6K, with 33% participation, against our 2015 goals of \$250K and 55%. We are gearing up for the 50th Reunion campaign and are considering an appropriate target for our Class 50th Reunion Gift, which is separate from the DCF. Hopefully, this special project will be announced and funded this year, our 49th.

We want to leave a footprint, now and for the future generations.

Our class is still a vibrant part of Dartmouth today, and will be part of an invaluable legacy going forward.

Bob Spence,  
Head Agent

## CLASS TREASURER'S REPORT

We are well ahead in dues payments over past years. If you have not yet paid dues (\$66 plus a suggested \$34 for special projects) for the July 1, 2014 – June 30, 2015 year, please consider doing so before June 30th. Go to [www.dartmouth66.org](http://www.dartmouth66.org), and click on the word "dues" in the left margin for instructions how to submit.

Send a check payable to: Dartmouth Class of 1966 and mail it to the address below. (If your name is not on the check, please be sure to include it.). Please note that I have moved, and my new address is:

Jim Weiskopf '66  
1605 Prince Street  
Beaufort, SC 29902

Thanking you in advance for your support to the Class of 1966.

  
Jim Weiskopf,  
Class Treasurer

(Photo by Jim Lustenader '66)

## Dartmouth Alumni Council

Dear 1966 Classmates,

As class representative to the Dartmouth Alumni Council, I am writing you with an invitation from the Council's newly formed Alumni Service Committee. It is to join in the Dartmouth Alumni Day of Service in your community on Saturday, May 2, 2015.

The Dartmouth Alumni Day of Service is designed to provide opportunities for Dartmouth alumni, friends and family members to give a day of service to their local communities while strengthening ties with fellow members of the Dartmouth family. The Day of Service will help further Dartmouth's longstanding tradition of local service through such organizations as the Tucker Foundation and Dartmouth Partners for Community Service.

The first step of this initiative is to identify service project coordinators across the country who will assist the Alumni Service Committee in mobilizing the effort. If you are interested in being a project coordinator, please email the Alumni Council at [alumni.council@dartmouth.edu](mailto:alumni.council@dartmouth.edu). Volunteers who wish to work with coordinators are also welcome to step forward.

The goal for the Day of Service is that Dartmouth communities around the country will enjoy being a part of this meaningful day of service and alumni fellowship. I very much hope you might find time to be involved in this new initiative of the Alumni Council.

To the invitation of the Alumni Service Committee of the Alumni Council I join my own, inviting you to make yourself known to those organizing the event.

My best,

Budge Gere, Class Rep to the Alumni Council

## NEWS FROM CLASSMATES

### *Peter Prichard Recalled Out of Retirement*

James Duff recently resigned as chief executive officer of the Newseum, the Washington museum of journalism and the First Amendment, and its nonprofit parent, the Freedom Forum. Former USA Today editor **Peter Prichard**, a past president of the Newseum, is returning to lead the museum pending a search for a permanent CEO. Jan Neu-

harth, the founder's daughter, will head the Freedom Forum. Launched by the late Gannett Company leader Allen Neuharth, the Newseum has struggled to cover costs since moving to a new home on Pennsylvania Avenue in 2008. Last year the museum reduced its deficit by nearly half, to \$4.3-million, and boosted fundraising from \$1.3-million to \$3.3-million.

---

**Peter Dorsen** notes he will not make it to the Ski mini-reunion at Breckinridge. "It seems I inadvertently took a vow of poverty some time back or maybe I'm just a ski bum coaching a state championship XC team (Eden Prairie High School) as well as instructing at Three Rivers Regional Park as well as racing. [I recently participated in} City of Lakes 50K, the Mora Vaseloppet 55 K, and the infamous North American Birkebeiner ("Birkie—the largest Xc race in North America)...the latter to celebrate my 70th. I've been training mostly on man made snow but also just came back from 3 feet up on the Upper Peninsula."

He adds, "Enjoy...life is shorter than we'd like"

---

**Bill Duval** sent a picture and wrote about a fun reunion of two Dartmouth friends:

**George Trumbull's** grandfather and great-uncles formed a company in Connecticut that built the Trumbull automobile in 1914 and 1915. They built 1500 cars and were selling many of them in England. They lost 20 that were on the Lusitania, and could not recover the loss and went out of business. There are about 20 of these rare automobiles in the world, and George has two of them.

This picture was taken on a recent visit to George's garage. And, please notice the route sign. Knowing George, he probably "acquired" it on some road trip, long ago.

History repeats itself! Jane and **Bill Higgins** had joined Karen and **Bob Serenbetz** for a trip “down under”, visiting New Zealand and Australia in January. While waiting for a tour to start in Auckland, who should they see on the pier but **Rick Worland**.

Rick, who probably has the class record for most cruises, had run into Karen and Bob on a cruise through the Panama Canal in December of 2012. A veteran of the Prague to Paris River Cruise, Rick will be joining the Class in July for the Norwegian Fjord Cruise as well. While in New Zealand, Rick arranged for a special satellite feed of his beloved Oregon Ducks vs. Ohio State in the national college football championship. The karma from the Ohio Higginses proved to be too strong for the Medford, OR resident's Ducks.

---

A happy reunion took place on February 3rd, as Margot and **Don Graves**, **Steve Abram**, Judy and **Rob Cleary** and Flo and **Steve Zeller** gathered at the Cleary home in Novato CA to share the memories of 50 years of friendship. Rob, who is battling Parkinson's Disease, was recovering from a broken rib, but was in good spirits.

Don writes, “If anyone from the left coast is interested, I am planning on riding the motorcycle back to Northeast Harbor, Maine, from here at the beginning of May. Other riders are welcome to join in for part or all of the trip. I'll be going through AZ and, depending on the weather, staying low across Texas or, alternatively, going up the super 2 lane from Tucumcari, NM, to Bloomington, IN and then coming across Kentucky, Virginia and up.”

“When I was the College Flag bearer for our graduation (Dan Williams did the American Flag), I remember a fellow from CA came across for his 50th, and led the parade around campus on an Indian. The newer (or older) Indians are a little too expensive for my wallet, but I will try it on a Honda (ST1100) both this year and for our 50th.”

## IN MEMORIAM

**George Berry** died suddenly of cardiac arrest on November 12, 2014. He was 69 years old. According to his family, George went peacefully while working on a project that brought him great joy. As you probably know, George and his family have been incredibly generous to Dartmouth; he was the prime mover in providing, with his brothers, the funding for the Berry Library. The memorial service was held on Saturday, Nov. 22 in Lincoln MA.

Born in Dayton, OH to Marjorie Keenoy and the late John Berry, George enjoyed an idyllic and full childhood that included the nurturing of early interests in classical music and chess. At Dartmouth, George majored in Mathematics under the tutelage of Dr. John Kemeny (co-creator of BASIC). Following graduation and service in the United States Army, George began a lifelong relationship with computers, working for Digital Equipment Corporation as a Consulting Engineer until he retired in 1986 and began devoting his life to other interests and pursuits.

In 1995, George and his wife Roberta started Berryfield Farm, which trains dressage horses and sponsors therapeutic riding programs, namely Friends for Tomorrow, for special needs children. He derived great joy from sharing his farm with others and loved watching the smiles that his horses brought to so many faces on a daily basis. A dedicated philanthropist, George channeled his many passions, especially classical music, education, and science into charitable work for several local and national organizations. Among his more notable roles, George proved a great supporter of the Boston Symphony Orchestra, serving as an Overseer for many years. At the BSO's summer home in Lenox, Massachusetts, George and Roberta have sponsored a student musician every year as part of Tanglewood's summer student orchestra program. George and Roberta helped create and sponsor the celebrated Film Night concert at Tanglewood, which the Boston Pops has performed annually every August since its inception.

George, an active alumnus of his alma mater, served on the board of the Hopkins Art Center and Dartmouth College's Presidential Leadership Council, and made a gift of a new dormitory in 2005. He was also instrumental in the building of Dartmouth's Berry Library, named for his late father, John. He also donated generously to the American Cancer Society and helped raise funds to build the first Hope Lodge in Boston for cancer patients and their families. In the Berkshires, George and Roberta supported Shakespeare and Company, sponsoring plays including productions of *Hamlet*, and *A Midsummer Night's Dream* this past sum-

mer.

Most of all, George loved spending time with his family and friends, enjoying travel, wonderful restaurants, and fine wines, all the while waxing philosophical about science, the arts, and history. His appreciation of the finer things in life included sharing them with everyone he knew, hosting large gatherings and events at both the farm and in Alford, attending concerts around the world, and providing opportunities for others to live richer lives. He will be remembered most as a quiet and brilliant man who touched countless lives with his generosity, and one whose spirit will live on profoundly in those he loved and supported.

George is survived by his wife of 26 years, Roberta Berry; mother, Marjorie Keenoy of Naples, FL; step-mother, Marilyn Berry of New Carlisle, OH; four brothers - John of Naples, FL, David of Belvedere, CA, Charles of Dayton, OH, and Richard of Evergreen, CO; sister, Barbara LeStage of Wrentham, MA; his two sons and their wives, Matthew and Catherine Drew, of Fitzwilliam, NH and Jonathan (D '98) and Rachel Drew (D '98), of Arlington, MA, and two grandchildren, Leah and Aaron Drew, also of Arlington, MA.

Ed Larner attended the ceremony and notes, "I attended the memorial for George Berry in Lincoln, MA. [There were] about one thousand attendees, including many Dartmouth people. Be-

sides being the primary donor for the Baker-Berry Library, he was a major supporter of The Boston Symphony (BSO) and their Tanglewood operation, plus many local organizations through the Berryfield Farm in Lincoln."

---

**Kipp Crickard**, of East Amherst, NY died on December 13, 2014, after a lengthy battle with cancer at the age of 70; beloved husband of Priscilla J. of 42 years; dear father of Darcy E. and Kara L. Crickard; assistant sales manager at Buffalo Forge Company, a manufacturer of industrial air and fluid handling equipment. While at Dartmouth, Kipp was an Engineering Science major and a member of Phi Kappa Psi, serving as Social Chairman. He also served on the InterFraternity Council during his sophomore and junior years.

## 50th Reunion Book

Already failed your 2015 New Year's Resolution? Need a new one? How about sitting in front of your computer and banging out your Dartmouth Class of 1966 Bio for the 50th Reunion Yearbook!!

Just get our easy-to-use template to gather your biographical information for the publication, which you can obtain from our class website, or you can download it by using the link below:

<http://www.dartmouth66.org/50th-reunion-yearbook>

Open the document (it's in PDF format) and fill it out. Once you have filled it out, please save it as "(Your Name) 50th Bio" and send your saved copy on to us at [bobserenbetz@prodigy.net](mailto:bobserenbetz@prodigy.net).

As editors, it is easiest for us to handle electronic submissions (we can cut and paste, format, run spell checks, etc.). However, in order to include all classmates, we welcome hard-copy, hand-written submissions as well. You can complete the form found on pages 7 and 8, then fold, seal, and stamp it and send it to:

**Bob Serenbetz at PO Box 1127, Newtown, PA 18940.**

After completing the template, we would also like you to forward a recent color head shot and another photo of your choice (family photo, an activity photo, whatever). Please avoid any photos with you or others wearing sunglasses. Please send the photos electronically to [benday@comcast.net](mailto:benday@comcast.net) or by snail mail to:

**Ben Day, 1 Bingham Avenue, Rumson, NJ 07760.**

We ask that you submit your information to us as soon as possible so we can begin formatting it into the book.

To give you an example of how your information would appear in the yearbook, Brad Stein was kind enough to act as a "beta tester". His submission represents the kind of material we're looking for, and the example shows how each classmate's information might appear in the yearbook itself. Please check it out by this link:

<http://www.dartmouth66.org/YearBook%20Example.pdf>

As you will note, the biographical questionnaire is made up of a series of questions, similar to material used by the classes of 1962 and 1963. Their experience with the Q&A format, as opposed to asking people to write a 500 word biography, was very positive. You may have some questions:

### **Do I have to answer all the questions?**

No... some may not be relevant to your life experiences, others may be difficult to put in words, or too personal. Most of the '62's and '63's answered perhaps 80% of the questions and did not bother to answer the last question.

### **There's not enough space for my answer to one or more of the questions?**

Not to worry. Just keep typing and the editors will be able to retrieve your entire answer, even though it won't print in its entirety.

### **When is my submission due?**

We would like you to submit your information as soon as possible. You can imagine the difficulty of pulling together information on the 825 of us who matriculated in September 1962 and formatting the material alphabetically.

### **What if I want to update my answers at a later date?**

No problem, as long as you get your changes to us by September 30 of 2015. We must send the book to the printer by that date.

*Thank you in advance for your cooperation. And please join our classmates who are ahead of the curve and have already submitted their bios (see box)! If you have any questions, please don't hesitate to contact Ben Day at [benday@comcast.net](mailto:benday@comcast.net) or Bob Serenbetz at [bobserenbetz@prodigy.net](mailto:bobserenbetz@prodigy.net).*

**Ahead of the Curve:** *Classmates who have submitted biographical information for the Yearbook.*

Rich Abraham	Chuck Forester	Wayne LoCurto	Jeff Stein
Steve Abram	Jeff Futter	Chris Meyer	Tom Steinmetz

## Dartmouth Vietnam Project

By Bob Cohn

Ed Miller, Associate Professor of History, has recently launched an initiative called the Dartmouth Vietnam Project. Its main goal is to produce oral histories about the Vietnam War and the Vietnam War era at Dartmouth. This project will bring together current students and older members of the Dartmouth community, especially alumni, who have stories and experiences of the Vietnam era that they are willing to share.

The program's ultimate goal is to create an online archive of oral histories. The website for this project can be found at <http://www.dartmouth.edu/~dvp/>.

Anyone who has stories to share is encouraged to visit the website, but also to send any reminiscences, memories, or thoughts you may have about this formative time of our post-college years to me, [bob.cohn@bonniercorp.com](mailto:bob.cohn@bonniercorp.com), to share with classmates in the next issue of our newsletter. I am about to leave for a 3-week visit to Vietnam, for the first time, and will share my impressions of the country, 45 years after the Vietnam War, in the next issue.

---

## Alumni Ski Club Patches

Ski season is approaching and Bruce Sherman '53 has kindly offered to mail a Dartmouth Alumni Ski Club patch to anyone who would like one. The patch is intended to be worn on ski clothing so that alumni will recognize fellow alumni on ski slopes around the world. If you would like a patch, simply email Bruce at [Ski.Patch@Dartmouth.edu](mailto:Ski.Patch@Dartmouth.edu) and provide your home mailing address.

## 66 Travel Abroad

The following classmates are signed up for Alumni Travel with Alumni Travel Office:

**Tahiti & French Polynesia: Feb 12-22, 2015:**

James (& Nancy) Dorr '66  
Tim (& Toni) Urban '66  
Steve (& Barbara) Hayes '66

**Insider's Japan: April 1-13, 2015**

Gary (& Sharon) Broughton '66

**Celtic Lands: May 20-29, 2015**

Bob (& Gretchen) MacCarty '66

**The Great Journey Through Europe: June 26-July 6, 2015**

John (& Cynthia) Pearson '66

*(Photo by Jim Lustenader '66)*

## MINI-REUNIONS AND COMING EVENTS

### Coming Events

'66th Night	Various Cities	March 7, 2015
Ski Mini-Reunion	Colorado	March 11-17, 2015
Golf Mini-Reunion	Arizona	April 10-12, 2015
Dartmouth Flotilla	US Virgin Islands	May 6 - 16, 2015
Norwegian Fjord Mini Reunion	Copenhagen	July 27 - Aug 3, 2015
Homecoming	Hanover, NH	October 9 - 10, 2015

### Norwegian Fjord Cruise

The list of attendees for the July 27- August 3 Norwegian Fjord cruise now stands at 23. Silversea's *Silver Whisper* is now **sold out**, although a wait list is available. Please call Bob Serenbetz at 215-598-0262 for the latest update.

Brad Stein has prepared a one-day pre-cruise set of activities, starting with dinners on the 25th and 26th, and a walking tour on the 26th, and we have developed with the Silversea representative a private cocktail party for the Class while on board, together with reservations for the Class at the ship's specialty restaurants. Steve Smith is working with our travel agent to organize some hikes in the ports-of-call.

### Skiing Mini-Reunion Taking Shape

The Annual Class of '66 Ski Trip will be expanded to Breckenridge this year due to the generosity of Mike and Rebecca Bromley. Plan to arrive at Breckenridge March 11--the Urban Suburban will leave from Denver International Airport mid-day and can accommodate six. Tim Urban, Joff Keane, Steve Coles, Gary Broughton, and Steve Lanfer have committed so far, along with the Bromleys--room for one more in the car and as many as four to five others with a rental car.

The Bromleys will be at Breckenridge and, if we have more than six traveling from Denver on the 11th, a rental car will be secured. If some classmates are in the mountains elsewhere during this period and want to join us, just let us know so we can plan the accommodations accordingly.

On March 14 we will drive to Winter Park with possible 1/2 day skiing at Winter Park/Mary Jane and stay at the "Shire," perennial ski residence of Class of 1966 Spring skiers. We'll have full days of skiing March 15 & 16, with a mid-day departure for Denver on March 17.

With this momentous year each of us are hoping to ski 70 runs, each in memory of a lost classmate. Can't say we'll be bumping the black diamonds, but most of us just cruising the blues and greens and praying for light powder each night. If you are interested in joining the group, email Tim Urban at [timurban44@gmail.com](mailto:timurban44@gmail.com) or call him at 515 208-0591.

### Golfers to Converge on Phoenix

For the real athletes among us, we will be holding the Fourth Class of 1966 Golf Mini-Reunion in Phoenix/ Scottsdale, Arizona. Hard to believe, but none of us qualified for the Masters in Augusta this year, so we decided to pick Masters Weekend, April 10-12, for our event. Dean Spatz will be our local co-ordinator (that's what happens when you put on a great 70th Birthday Party in Jackson Hole...you get arm-twisted to plan another event!!) and will be selecting courses and venues for a couple of dinners, Friday and Saturday nights. Our headquarter hotel will be the Residence Inn North Scottsdale. Non-golfers in the Phoenix area are welcome to join us for the social activities after our competitive matches. Already committed (or semi-committed) are Graeme Bell, Jeff Brown, Al Keiller, Rick MacMillan, Tom Noyes, Bob Serenbetz, Steve Smith, and Ken Zuhr.

If you're interested in joining us, email Bob Serenbetz ([bobserebetz@prodigy.net](mailto:bobserebetz@prodigy.net)) so we can get a feel for number of foursomes and dinner arrangements.
