

1966

Along Route '66

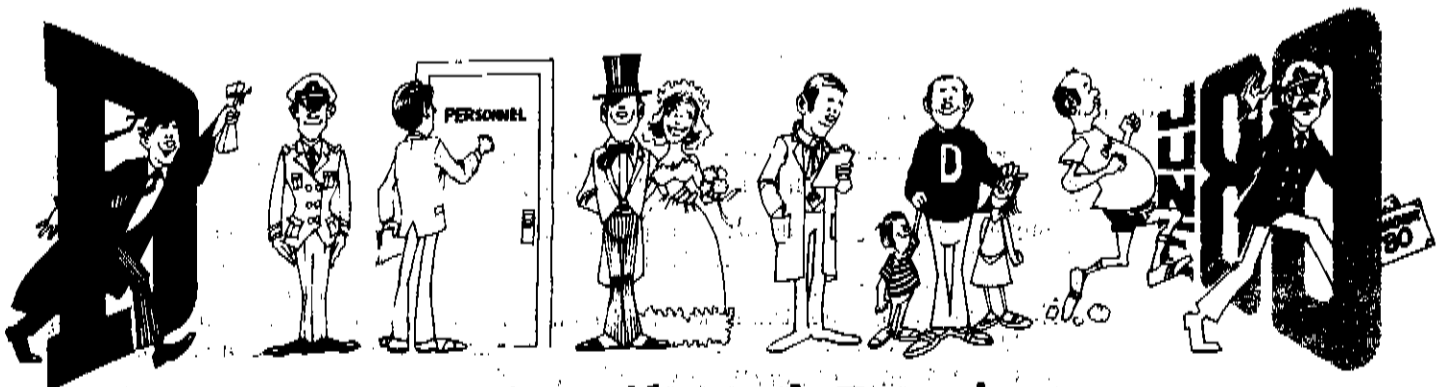

April 1980

Spring has sprung on the Hanover plain! Current turmoil over the status of fraternities at Dartmouth has quieted down with the conclusion of the report by the Fraternity Board of Overseers and subsequent hearings with several houses. Suffice it to say that the Trustees have decided not to abolish fraternities at Dartmouth and the Fraternity Board of Overseers have agreed to continue their strong involvement in helping the fraternities evolve as a positive social, intellectual and residential force on campus.

The Hanover Inn is celebrating its 200th anniversary as the "inn" place in Hanover. Early reports are that the service and the food have improved as part of their effort. I expect many of us will get a chance to test this out during our upcoming June reunion.

The CAMPAIGN FOR DARTMOUTH remains on track. Reports from all regional directors indicate contributions and pledges are still running ahead of expectations.

Perhaps the biggest news to affect Dartmouth this year was the absence of snow. Winter Carnival did take place however, and the jumping events and the center-of-campus statue became realities courtesy of man-made snow from Killington Ski Area in Vermont. One industrious fraternity, Sigma Nu, saw fit to borrow enough snow from the center of campus pile to be the only fraternity entered in the ice statue competition this year and subsequently walked off with top honors. Even the cross country races took place, primarily on Occum Pond and on ribbons of white layed across the golf course not unlike the layout for a typical model railroad. The only thing missing was the convenient snow bank to stop and rest in between parties and events throughout the hectic weekend.

'64, '65, '66 Fifteenth Reunion
June 13-15, 1980

Contrary to popular belief, President Kemeny has returned to Dartmouth and is much in evidence these days following the completion of his superb efforts as chairman of the President's Commission on Three Mile Island.

As most of you must already know, the Dartmouth hockey team did us all proud finishing third in the NCAA tournament for the second year in a row just failing in a valient effort to unseat North Dakota for a shot at the national finals.

New sights abound around campus. In addition to the emergence of the Great Annual Spring T-Shirt Explosion, a whole new building has emerged behind the original Crosby Hall, now named Crosby House, to be known as Blunt Alumni Center destined to be the home of Secretary of the College and other alumni officers. An original Concord Coach resides under the entranceway to the Hanover Inn, a reminder of the type of vehicle that used to stop on Main Street in Hanover over 100 years ago. The new pedestrian walk lights continue to confuse everyone! On the Inn corner the greatest new challenge is to see if you can cross the street in less than fifteen minutes from College Hall to the Hanover Inn. Give it a try if you're coming back for reunion.

All of you should have received the tremendous flow of Reunion information in the past few months. Plans are now complete for what should be one of the most exciting and successful reunions in recent years. Your committee has put together an incredible schedule of events designed to give everyone something to enjoy. An updated schedule of events is included in this newsletter. Please note the several changes and additions to the information that has already reached you. We have added a street square dance on Fayerweather Row on Friday night. This will be in addition to the soft rock band. Both events will play immediately following the glee club concert. We have added a cooking demonstration scheduled for 9:00 a.m. on Saturday morning. This should be an interesting and mouth watering display of culinary skill by a noted Hanover chef and teacher and will include demos of several unique entrees and desserts accompanied by recipe handouts.... (space will be limited-signup for first come first served) a MUST for all the gourmets among us.

We have arranged for day care facilities for Friday afternoon from 1:00 - 5:00 p.m. and Saturday morning from 9:00 - 12:00 at the Hanover Day Care Center in the basement of the White Church (\$2.00 per hour/\$10.00 half day). These facilities will be available for all children between the ages of three and six. We need advance signup so let us know if you're bringing the young kiddies and if you will want them to be part of the day care program. All children are expected to take part in the Country Fair on Saturday. Babysitters for children under three years old are available for any time. Please contact Dave Orr at Blunt Alumni Center (1-603-646-2027). We have also arranged for horseback riding at the all-new riding center in Etna. Again, advance registration is important. A \$5.00 per hour fee is necessary. If you are interested, please drop us a note and we will assign a riding time (Friday, Saturday or Sunday) at registration when you arrive in Hanover. We will have all kinds of fabulous offerings....the t-shirt logos are fantastic with a choice of the standard reunion logo, a special junior olympics design and a great Reunion-Run t-shirt for all those daring souls who take part in our mini-marathon on Sunday morning. We will also have a custom t-shirt booth (cash basis) at our Country Fair to satisfy the whims and fancies of all kids and parents. You will be able to put logos on hats, shirts, shorts, jackets, etc.

Look over the schedule of events carefully. There is definately something for everyone. Disco dancing, hot air ballooning, barber shop singing, marathon running, intellectual stimulation, country auctions, great food, we've got it all! - and don't forget the surprise during the Friday night parade! Join the 15th Reunion celebration. Being in Hanover on June 13-15, 1980, is an absolute must for all '64's, '65's and '66's and their families. Fill out the enclosed envelope today and mail it with your check or master charge/VISA card number and signature to your Joint 15th Reunion Committee c/o:

Robert Bartles
75 Main Street
West Lebanon, N.H. 03784

It will be a time to remember for the whole family. Don't forget - all paid in full registrations received by May 1 are eligible for a free Reunion Weekend for the whole family.

*
* -SPECIAL AUCTION BULLETIN- *
*

Anyone wishing to donate or place up for auction (on a commission basis) any old family attic treasures, heirlooms, pictures, etc., please contact Bob Bartles (1-603-298-8775) as soon as possible. You can bring the items with you and check them in at registration. William A. Smith, a noted New England auctioneer will be available for appraisal, beginning at 9:00 a.m. Saturday.

See you in June. Happy Spring!
